CONSUMPTION CURED!

Triumphant Success of BUCHAN'S HUNGARIAN BALSAM of Life, the great English Remedy for Colds, Coughs, Asthma and Consumption.

The most celebrated and infallible remedy for colds, coughs, asthma, or any form of Pulmonary consumption, is the HUNGARIAN BALSAM of Life discovered by Dr. BUCHAN of London, Scotland, tested for upwards of seven years in Great Britain and on the Continent of Europe, and introduced into the United States under the immediate superintendence of the inventor.

The astonishing success of the Hungarian Balsam, in the cure of every form of Consumption, warrants the American agent in soliciting for treatment the worst possible cases that can be found in the community—cases that seek relief in vain from any of the common remedies of the day, and have been given up by the most distinguished Physicians, as confirmed and incurable. The Hungarian Balsam has cured and will cure, the most desperate of cases. It is a quick nostrum, but a Standard English Medicine, of known and established efficacy.

TO THE CONSUMPTIVE.

Every family in the United States should be supplied with Buchan's Hungarian Balsam of Life, to counteract the consumptive tendencies of the climate, and to be used as a preventive medicine in all cases of Coughs, Spitting of Blood, Pain in the side and chest, irritation and soreness of the Lungs, Bronchitis, difficulty of Breathing, Hectic Fever, Night sweats, Emaciation and general Debility, Asthma, Indigestion, Hooping Cough, and Croup.

In case of actual disease of the Lungs, or consumption, it is the only source of hope. Sold by McDonald and Smith, sole agent for the United Kingdom, at the Italian Warehouse, Regent St., London, in Bottles and Cases, for ships, hospitals, &c.

By special appointment.—DAVID F. BRADLEE, 130 Washington St. Boston, Mass. Sole Agent for the United States and British American Provinces.

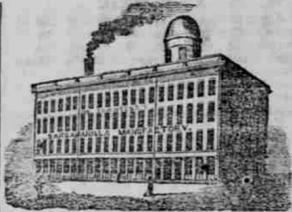

American price, \$1 per Bottle with full directions for the restoration of Health. 25 Pamphlets, containing a mass of English and American certificates and other evidence, showing the unequalled merits of this Great English Remedy, may be obtained of the agents gratis. Dr. Townsend's Sarsaparilla.

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is of limpid, pleasant, and watery appearance, or any solid. It cures diseases without vomiting, purging, sickening or debilitating the patient. GREAT FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla is, where it eradicates diseases it invigorates the body, and restores the system to its original health. It is not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success.

It has performed in the last two years more than 30,000 cures of severe cases of disease, at least 20,000 of these were considered incurable. More than 2,000 cases of Chronic Rheumatism, 2,000 cases of Dyspepsia; 1,000 cases of General Debility and Want of Energy; 7,000 cases of the different Female Complaints, 2,000 cases of Scrofula; 1,500 cases of the Liver Complaint; 2,500 cases of Disease of the Kidneys and Dropsy; 8,000 cases of Consumption; And thousands of cases of diseases of the blood viz: Ulcers, Erysipelas, Salt Rheum, pimples on the Face, &c. &c., together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal Affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians & our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable Druggists of Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in all the Cities, Towns, and Villages which we refer to with pleasure and to men of character. It is the best medicine for the prevention of disease known. It undoubtedly saved the lives of more than 5,000 CHILDREN THE PAST SEASON.

As it removed the cause of disease, and prepared the system to receive the best medicine, it has been known to injure in the least the most delicate child.

RHEUMATISM. This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are too numerous to detail. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

Hear Mr. Seth Terry, one of the oldest and most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him.

Dr. Townsend—I have used one bottle of your Sarsaparilla, and it is excellent in its effects upon a Chronic Rheumatic pain to which I am subject, and an injury occasioned several years ago in a public square. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal Physicians, who recommended your Sarsaparilla.

SETH TERRY. Hartford, March 12, 1845.

CONSUMPTION CURED.

Clears and Strengthens, Consumption, Cough, Croup, Bronchitis, Consumption, Liver Complaint, Cold, Catarrh, Cough, Asthma, Spitting of Blood, Soreness in the Chest, Hoarse, Night Sweats, Dropsical, profuse Expectoration, Pain in the Side, &c. &c. cured.

Dr. Townsend—Dear Sir: Nearly 20 years ago I took a violent cold, which settled on my lungs and affected me severely, indeed finally it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last two years it increased so much that I was obliged to discontinue my work, and at last I became reduced— I breathed with difficulty and raised with my cough much bad matter, and for the last nine months previous to using your Sarsaparilla had had no sleep, indeed, my friends and myself supposed I was dying with Consumption, but I have the happiness to inform you that, to my surprise, after using three bottles of your Sarsaparilla, I find my health restored. I relieved me gradually, and I am now enjoying better health than I have had for many years. I have not entirely lost my appetite which is a store to me, as I am at liberty to publish this with my name in the papers, if you choose.

My little girl, who is three years old, had a very bad cough the whole of last Winter. We were very much alarmed, and she had no account. While using the medicine I gave her some of it, and it soon entirely relieved her, as well as myself, and she is well now, and hearty as any child I ever saw. She was also full of fluid bladders; it took them away, and her skin is smooth and clear, and I am satisfied she recovered her health by using your excellent medicine.

S. W. CONANT, 44 Bowery.

GIRLS, READ THIS.

You who have pale complexions, dull eyes, blotchy skin, rough skin, and are "out of spirits," use a bottle or two of Dr. Townsend's Sarsaparilla. It will cleanse your blood, remove the freckles and blotches, and give you animation, sparkling eyes, fine spirits and beautiful complexion—all of which are of immense value to unmarried ladies.

GREAT FEMALE MEDICINE.

Dr. Townsend's Sarsaparilla is a sovereign & speedy cure for Insipient Consumption, Barrenness, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Irregularity of Urine, or Inflammation of the System, no matter whether the result of inherent cause, or produced by irregularity, illness or accident.

Nothing can be more surprising than its invigorating effects on the human frame. Persons all over the world, and in every under its influence, come robust and full of energy under its use. It is a female friend, which is the great cause of barrenness.

It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure you that hundreds of cases have been reported to us. Several cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Dr. Townsend—My wife being greatly distressed by weakness and General Debility, and suffering continually by pain and a sensation of bearing down, falling of the womb, and with her difficulties, and having known cases where your medicine had cured great numbers, and also being recommended by several cases as I have described, I obtained a bottle of your Extract of Sarsaparilla, and followed the directions you gave me. In a short period it removed her complaints, and restored her health. Being grateful for the relief she received, she takes pleasure in thus acknowledging it, and recommending it to the public.

M. D. MOORE, Cor. Grand & Lydius-sts. Albany, Aug. 7, 1841.

TO MOTHERS & MARRIED LADIES.

This Extract of Sarsaparilla has been especially prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "the term of life," should neglect to take, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed several years by using this medicine. Nor is it less valuable for those approaching womanhood, as it is calculated to assist nature, by purifying the blood, and invigorating the system. Indeed, it is invaluable for all the diseases to which women are subject.

It braces the whole system, renews permanently

SCROFULA CURED.

This Certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in one house is unprecedented.

THREE CHILDREN.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with the disease; have taken on only four bottles, it took them away, for which I am under deep obligation. ISAAC CRAIN, 105 Westchester, New York, March 1, 1847.

OPINIONS OF PHYSICIANS.

Dr. Townsend is almost daily receiving orders from Physicians, druggists and the public. This is to certify that he, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with the disease; have taken on only four bottles, it took them away, for which I am under deep obligation. ISAAC CRAIN, 105 Westchester, New York, March 1, 1847.

UNITED STATES OFFICER.

Major G. W. McLean, one of the United States Captains and member of the New Jersey Legislature, has kindly sent the following certificate. It tells its own story.

A year since I was taken with the Influenza, and my whole system left in a debilitated state. I was influenced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles, I was much relieved, and attribute entirely to the said Sarsaparilla. I have continued taking it and find that I improve every day. I believe it saved my life, and would not be without it under any consideration. G. W. McLEAN, Railroad, Jan. 25, 1847.

THE REV. JOHN SEYER Of Jersey City, an old and highly respectable clergyman of the Baptist denomination—banded in the following certificate at Dr. Townsend's office, 126 Bolton street, on Saturday, 1st of Dec. 1846.

Dr. Townsend—Dear Sir: I am constrained to give you a statement of the benefit derived from using your Sarsaparilla, by relieving by so doing I shall render benefit to those who are suffering as I have been. I was reduced for many months by the dyspepsia, so much that it was almost a labor to me to walk or keep about. I had a letter which covered the most part of my head—which was extremely troublesome, & sore, if not to be almost a seal, I used quite a number of remedies for both complaints but received little or no benefit until I took your preparation of Sarsaparilla, which through the kindness of a friend I received. I have enjoyed my usual health, as I now enjoy better health than I have for a number of years. I am now 60 years of age, I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister of the Gospel for many years. I hope this hearty sketch may be as much of benefit to you as your medicine has been to me. JOHN SEYER, Jersey City, July 11, 1846.

METHODIST CLERGYMAN.

The following was sent to our agent, J. H. Rowley, by J. T. TOWNSEND, of the Methodist Church, one of the most respectable and successful of the Methodist connections—and is another evidence of the wonderful effects of Dr. Townsend's Sarsaparilla on the system.

Having for some time past as you are aware, experienced great general debility of my system, attended with constant and alarming irritation of the throat and lungs, I was at your own instance, and in consequence of having read Captain Townsend's certificate, induced to try your Sarsaparilla. I tried it, I confess, once in the hope that in the confidence of the proving efficacious, but I am bound in candor to acknowledge that had I not tried it long before I began to experience its effects, I should not have been so much interested in it. I have not without your consideration. It has done me more good than any previous remedy I have tried, & I believe it is the best medicine I have ever used. I have by full recovery of my health, and I feel that I have gained a new lease of life.

Dr. Townsend—Dear Sir: I have used your Sarsaparilla, and it is excellent in its effects upon a Chronic Rheumatic pain to which I am subject, and an injury occasioned several years ago in a public square.
